Last Updated June 4, 2021

### I. Commercial Eviction Proceedings

#### A. COVID-19 Emergency Protect Our Small Businesses Act of 2021, Effective Through August 31, 2021

On March 9, 2021, Governor Cuomo signed into law the New York State [COVID-19 Emergency Protect Our Small Businesses Act of 2021 \(S471A/A3207\)](#) (the “Act”). The Act went into effect on March 9, 2021 and was set to expire on May 1, 2021 until Governor Cuomo signed [Senate Bill S6362A](#), further extending the Act until at least August 31, 2021. Pursuant to Part A of the Act, and as promulgated by [Administrative Order 96/21](#) and then [Administrative Order 161/21](#) to apply to the conduct of commercial eviction matters before the New York State courts:

- No commercial “tenant”<sup>1</sup> shall be removed from possession prior to August 31, 2021, except by an “eviction proceeding”<sup>2</sup>.
- **Hardship Declaration:** A landlord shall include a "Hardship Declaration" with every written notice required by the commercial lease or tenancy agreement, law or rule to be provided prior to the commencement of an eviction proceeding<sup>3</sup>, and with every notice of petition or summons and complaint served on a tenant. The Hardship Declaration must be provided in English and the language that the commercial lease or tenancy agreement was written or negotiated, and must include a mailing address, telephone number and active email address the tenant can use to contact the landlord and return the Hardship Declaration.
- **Stay of Eviction Proceedings:** Any commercial eviction proceeding (i) pending on March 9, 2021 (ii) filed on or before March 7, 2020, or (iii) commenced by April 8, 2021, shall be stayed for at least sixty days. Furthermore, in any eviction proceeding in which an eviction warrant or judgment of possession or ejection has not been issued including eviction proceedings filed on or before March 7, 2020, if the tenant provides a Hardship Declaration to the petitioner or plaintiff, the court, or an agent of the petitioner or plaintiff or the court, the eviction proceeding shall be stayed until at least August 31, 2021<sup>4</sup>, and such petitioner or plaintiff or agent shall promptly file the Hardship Declaration with the court, advising the court in writing the index number of all relevant cases. At the earliest possible opportunity, the court shall seek confirmation on the record or in writing from the respondent or defendant that the respondent or defendant has received the Hardship Declaration and that the respondent or defendant has not submitted a Hardship Declaration to the petitioner or plaintiff. If the court determines a respondent or defendant has not received a Hardship Declaration, then the court shall stay the proceeding for a reasonable period of time, which shall be no less than ten business days or any longer period provided

---

<sup>1</sup> “Tenant” is defined under the Act to include “a commercial tenant that is a resident of the state, independently owned and operated, not dominant in its field and employs fifty or fewer persons.”

<sup>2</sup> “Eviction proceeding” is defined under the Act as “a summary proceeding to recover possession of real property under article seven of the real property actions and proceedings law relating to a commercial unit or any other judicial or administrative proceeding to recover possession of real property relating to a commercial unit.” As such, this would apply to Supreme Court ejection actions as well. Furthermore, this means that “self-help,” even where permitted under the commercial lease or tenancy agreement, shall not be used to remove a tenant from possession prior to August 31, 2021.

<sup>3</sup> In a lease expiration holdover, where a written notice is not required prior to the commencement of an eviction proceeding, it is advisable to serve the Hardship Declaration as a standalone document prior to the commencement of an eviction proceeding to provide the tenant with an opportunity to return the Hardship Declaration.

<sup>4</sup> An exception applies that permits an eviction proceeding to proceed where the petitioner has alleged that a tenant is persistently and unreasonably engaging in behavior that substantially infringes upon the use and enjoyment of other tenants or occupants, or causes a substantial safety hazard to others.

by law, and provide the respondent or defendant with a copy of the Hardship Declaration in English and, to the extent practicable, the language in which the commercial lease or tenancy agreement was written or negotiated, if other than English, to ensure the respondent or defendant received and fully considered whether to submit the Hardship Declaration.

- **Stay of Initiation of an Eviction Proceeding until at least August 31, 2021 if Hardship Declaration provided to Landlord:** If there is no pending eviction proceeding and a tenant provides a Hardship Declaration to the landlord or an agent of the landlord, there shall be no initiation of an eviction proceeding against the tenant until at least August 31, 2021, and in such event any specific time limit for the commencement of an eviction proceeding shall be tolled until August 31, 2021.
- **Requirement of Additional Affidavits in Newly-Commenced Proceedings:** No court shall accept for filing any petition or other commencement papers in an eviction proceeding unless those papers include affidavits of service from the petitioner or plaintiff or an agent of the petitioner or plaintiff, under penalty of perjury, demonstrating the manner in which the petitioner or plaintiff or the petitioner's or plaintiff's agent served a copy of the Hardship Declaration in English and the language in which the commercial lease or tenancy agreement was written or negotiated, if other than English, with any written notice required by the commercial lease or tenancy agreement, law or rule to be provided prior to the commencement of an eviction proceeding, and an affidavit under penalty of perjury:
  - a. attesting that at the time of filing, neither the petitioner or plaintiff nor any agent of the petitioner or plaintiff has received a Hardship Declaration from the respondent, or
  - b. attesting that the respondent or defendant has returned a Hardship Declaration, but the respondent or defendant is persistently and unreasonably engaging in behavior that substantially infringes on the use and enjoyment of other tenants or occupants or causes a substantial safety hazard to others, with a specific description of the behavior alleged.
- **Execution of Warrant or Judgment of Possession or Ejectment stayed until the Court has held a status conference with the parties or, if Hardship Declaration filed, until at least August 31, 2021:** In any eviction proceeding in which an eviction warrant or judgment of possession or ejectment has been issued prior to March 9, 2021, but has not yet been executed as of March 9, 2021, including eviction proceedings filed on or before March 7, 2020, the court shall stay the execution of the warrant or judgment at least until the court has held a status conference with the parties. In any eviction proceeding, if the tenant provides a Hardship Declaration to the petitioner or plaintiff, the court, or an agent of the petitioner or plaintiff or the court, prior to the execution of the warrant or judgment, the execution shall be stayed until at least August 31, 2021.
- **Warrant / Execution Requirements:** Any warrant or execution issued shall not be effective as against the occupants, unless, in addition to other requirements under law, such warrant or execution states: (i) The tenant has not submitted the hardship declaration and the tenant was properly served with a copy of the Hardship Declaration pursuant to this section (§ 8 [b] of the Act), listing dates the tenant was served with the hardship declaration by the petitioner or plaintiff and the court; or (ii) The tenant is ineligible for a stay under this Act because the court has found that the tenant is persistently and unreasonably engaging in behavior that substantially infringes on the use and enjoyment of other tenants or occupants or causes a substantial safety hazard to others, with a specific description of the behavior.
- **Nuisance Holdover Proceedings May Proceed:** A pending or newly-filed proceeding in which a petitioner has alleged that a tenant is persistently and unreasonably engaging in behavior that substantially infringes upon the use and enjoyment of other tenants or occupants, or causes a substantial safety hazard to others, may continue to be heard in accordance with the Act (Act, Part A, §§9, 9[5]).
- **Prior Judgments Based on Objectionable or Nuisance Behavior:** If the court has awarded judgment against a respondent on or prior to March 9, 2021 on the basis of objectionable or nuisance behavior, the court shall hold a hearing to determine whether the tenant is continuing to persist in engaging in unreasonable behavior that substantially infringes on the use and enjoyment of other tenants or occupants or causes substantial safety hazard to others (Act, Part A, §9[2]; Amendment §20). If the

petitioner fails to establish that the tenant persistently and unreasonably engaged in such behavior and the tenant has submitted a hardship declaration, the court shall stay or continue to stay further proceedings until August 31, 2021. (Act, Part A §§9, 9[4]; Amendment § 19).

- **Rebuttable Presumption:** A Hardship Declaration shall create a rebuttable presumption that the tenant is experiencing financial hardship, in any judicial or administrative proceeding that may be brought, for the purposes of establishing a defense under an executive order of the governor or any other local or state law, order or regulation restricting the eviction of a tenant suffering from a financial hardship during or due to COVID-19 provided that the absence of a Hardship Declaration shall not create a presumption that a financial hardship is not present. This section of the Act shall survive the expiration of the Act on August 31, 2021.

## **B. COVID-19 Financial Hardship Moratorium For Nonpayment of Rent Through June 24, 2021**

The moratorium on the initiation of a proceeding or enforcement of an eviction of any commercial tenant, for nonpayment of rent, that is eligible for unemployment insurance or benefits under state or federal law or otherwise facing financial hardship due to the COVID-19 pandemic is currently through June 24, 2021, as most recently extended by [Executive Order No. 202.109](#).

The Clerk of the Court is directed not to accept new filings in any commercial eviction proceeding based upon nonpayment of rent covered under Executive Order No. 202.81 (as most recently extended by [Executive Order No. 202.109](#) through June 24, 2021). [DRP-215](#).

## **C. Commencement Of New Eviction Proceedings**

### **i. Nonpayment Proceedings**

- If a [Hardship Declaration](#) is not returned to the landlord or an agent of the landlord in accordance with the [Act](#), a petitioner may commence a nonpayment proceeding against a commercial tenant that is not eligible for unemployment insurance or benefits under state or federal law or otherwise facing financial hardship due to the COVID-19 pandemic.
- If a Hardship Declaration is returned to the landlord or an agent of the landlord, a petitioner may not initiate proceeding until at least August 31, 2021.

### **ii. Holdover Proceedings**

- If a [Hardship Declaration](#) is not returned to the landlord or an agent of the landlord in accordance with the [Act](#), a petitioner may commence a holdover proceeding that is not based upon the failure to pay rent (i.e., a lease termination based upon a conditional limitation) against a commercial tenant that is eligible for unemployment insurance or benefits under state or federal law or otherwise facing financial hardship due to the COVID-19 pandemic (as most recently extended by [Executive Order No. 202.109](#) through June 24, 2021).
- Nuisance proceedings in which a petitioner has alleged that a tenant is persistently and unreasonably engaging in behavior that substantially infringes upon the use and enjoyment of other tenants or occupants, or causes a substantial safety hazard to others, may continue to be heard in accordance with the [Act](#) (Act, Part A, §§9, 9[5]). [Administrative Order 96/21](#) and [Administrative Order 161/21](#).
- Prior to the passage of the [Act](#), holdover proceedings not based upon the failure to pay rent could proceed in the normal course pursuant to [DRP-215](#).

## **D. Default Judgment Application For Nonpayment Of Rent Requires Affidavit**

Any petitioner applying for a default judgment in a commercial landlord tenant proceeding based upon the respondent's failure to answer in a summary proceeding for nonpayment of rent shall submit, as part of such

application, an affidavit by a person with personal knowledge of the facts, stating that the petitioner has made a good faith effort to ascertain whether the respondent is a person or business eligible for unemployment insurance or benefits under state or federal law or otherwise facing financial hardship due to the COVID-19 pandemic, and that the respondent is not such a person or business. The affidavit shall state the facts upon which the individual bases this conclusion. [DRP- 210B](#).

#### **E. Moratorium on Issuance of Warrants of Eviction**

Until further notice, no warrant of eviction shall issue until such time as the current public health crisis has abated and this directive (DRP – 206) is rescinded. The foregoing is without prejudice to the right of petitioner to seek an exception by submitting a motion on notice establishing that no party is negatively affected by the COVID-19 epidemic. [DRP - 206](#).

The Clerk is directed not to issue a judgment of possession or warrant of eviction in any commercial eviction proceeding based upon nonpayment of rent covered under Executive Order 202.81 (as most recently extended by [Executive Order No. 202.109](#) through June 24, 2021). [DRP-215](#).

#### **F. Enforcement of Warrant of Eviction Awarded Before March 20, 2020 Based Upon Nonpayment Of Rent Requires Motion On Notice With Affidavit**

Any petitioner in a commercial landlord tenant proceeding seeking to enforce a warrant of eviction that was awarded before March 20, 2020 based upon the nonpayment of rent must first seek leave of court to enforce the warrant by filing a motion on notice. The motion seeking leave to enforce shall include an affidavit by a person with personal knowledge of the facts stating that petitioner has made a good faith effort to ascertain whether the respondent is a person or business eligible for unemployment insurance or benefits under state or federal law or otherwise facing financial hardship due to the COVID-19 pandemic, and that the respondent is not such a person or business. The affidavit shall state the facts upon which the individual bases this conclusion. [DRP- 211B](#).

#### **G. Resumption of Judgments on Matters Where All Parties Represented By Counsel**

Beginning September 8, 2020, the Civil Court of the City of New York resumed entering judgments on matters before the Court where all parties are represented by counsel. Any matter that has been scheduled for a virtual or in person appearance with the Court for which a represented party has not appeared will be given one final adjournment after which the Court may exercise its discretion in determining whether an application for dismissal or default should be granted. This policy does not apply to matters where a party is unrepresented. It also does not apply to those matters that are not currently being calendared in the Court, i.e., Consumer Debt cases or Small Claims cases. <http://nycourts.gov/courts/nyc/civil/CORONA/Resumption.shtml>.

#### **H. Filing and Service**

Unless otherwise prohibited by gubernatorial Executive Order, parties may commence new matters and proceed in pending matters by any means of filing and service normally permitted under statute and court rule. All parties are strongly urged to avoid in-person filing and service wherever possible during the ongoing COVID-19 health emergency, and to rely instead on NYSCEF, EDDS, and mail filing and/or service, where permitted. [Administrative Order 267/20](#).

Petitions in eviction proceedings pursuant to Article 7 of the Real Property Actions and Proceedings Law shall include the bilingual form Notice to Respondent Tenant annexed to Administrative Order 268/20, which must be printed on colored paper. [Administrative Order 268/20](#).

#### **I. Remote Appearances**

Eviction proceedings should be conducted remotely whenever appropriate. [Administrative Order 160A/20](#).

## II. Residential Eviction Proceedings

Effective June 20, 2020, new residential eviction proceedings could be filed subject to the following subsequent changes that continue to evolve:

### A. COVID-19 Emergency Eviction and Foreclosure Prevention Act of 2020, Effective Through August 31, 2021

Under the [COVID-19 Emergency Eviction and Foreclosure Prevention Act of 2020](#) (Chapter 381 of the Laws of New York, 2020) (the “EEFPA”), signed into law by Governor Cuomo on December 28, 2020 (the “Effective Date”), as promulgated by [Administrative Order 340/20](#) and then [Administrative Order 160/21](#) to apply to residential eviction matters before the New York State courts, as further set forth by memorandum of the Chief Clerk of the Civil Court of the City of New York in [CCM-212](#), and as further extended by [Senate Bill S6362A](#) until at least August 31, 2021:

- If a tenant, lawful occupant, or other person responsible for paying rent, use and occupancy, or any other financial obligation under a lease or tenancy agreement at a dwelling unit signs and delivers a [Hardship Declaration](#) to their landlord at the mailing address or e-mail address that the landlord sets forth in the Hardship Declaration, then such person(s) (i) cannot be evicted until at least August 31, 2021 for nonpayment of rent or for holding over after the expiration of the lease, but (ii) may still be evicted for violating the lease by persistently and unreasonably engaging in behavior that substantially infringes on the use and enjoyment of other tenants or occupants or causes a substantial safety hazard to others.
- If a tenant, lawful occupant, or other person responsible for paying rent, use and occupancy, or any other financial obligation under a lease or tenancy agreement at a dwelling unit signs and delivers a Hardship Declaration to the petitioner, an agent of the petitioner or the court, any pending eviction proceeding shall be stayed until at least August 31, 2021<sup>5</sup>.
- If there is no pending eviction proceeding and a tenant provides a hardship declaration to the landlord or an agent of the landlord, there shall be no initiation of an eviction proceeding against the tenant until at least August 31, 2021<sup>6</sup>, and in such event any specific time limit for the commencement of an eviction proceeding shall be tolled until August 31, 2021.
- Prior to starting an eviction proceeding, the petitioner or the petitioner's agent is required to serve a copy of the Hardship Declaration, in 14-point type, in English and the tenant's primary language, if other than English, with every written demand for rent made pursuant to subdivision 2 of section 711 of the real property actions and proceedings law, with any other written notice required by the lease or tenancy agreement, law or rule to be provided prior to the commencement of an eviction proceeding, and with every notice of petition served on a tenant, along with a list of all not-for profit [tenant's legal services organizations](#).
- The Hardship Declaration must include a mailing address, telephone number and active email address the tenant can use to contact the landlord and return the Hardship Declaration.
- No court shall accept for filing any petition or other commencement papers in an eviction proceeding unless those papers include affidavits as required by Part A, §5 of the EEFPA:
  - 1. Demonstrating the manner in which the petitioner or the petitioner's agent served a copy of the Hardship Declaration in English and the tenant's primary language, if other English, with any rent demand and with any other written notice required by the lease or tenancy agreement, law or rule to be provided prior to the commencement of an eviction proceeding; and

---

<sup>5</sup> Except where the tenant is persistently and unreasonably engaging in behavior that substantially infringes on the use and enjoyment of other tenants or occupants or causes a substantial safety hazard to others.

<sup>6</sup> *Id.*

- 2. a. attesting that at the time of filing, neither the petitioner nor any agent of the petitioner has received a Hardship Declaration from the respondent or any other tenant or occupant of the dwelling unit that is the subject of the proceeding, or b. attesting that the respondent or another tenant or occupant of the dwelling unit that is the subject of the proceeding has returned a Hardship Declaration, but the respondent is persistently and unreasonably engaging in behavior that substantially infringes on the use and enjoyment of other tenants or occupants or causes a substantial safety hazard to others, with a specific description of the behavior alleged.
- Service of the notice of petition with the Hardship Declaration attached shall be made by personal delivery to the respondent, unless such service cannot be made with due diligence, in which case service may be made under section 735 of the real property actions and proceedings law. (EEFPA, Part A, §5[2]).
- Prior to August 31, 2021, no court shall issue a default judgment authorizing an eviction in a residential eviction matter, or authorize the enforcement of an eviction pursuant to a default judgment, without first holding a hearing upon motion of the petitioner (EEFPA, Part A, §7).
- In any residential eviction proceeding in which a warrant of eviction has been issued but has not yet been executed as of December 28, 2020, execution of the warrant shall be stayed until the court has held a status conference with the parties (EEFPA, Part A, §8[a][i]).

### **B. CDC Order Federal Eviction Moratorium Through June 30, 2021**

The Centers for Disease Control and Prevention (“CDC”) Federal Eviction Moratorium under the [CDC Order](#), effective from September 4, 2020 through December 31, 2020, was [extended](#) through January 31, 2021 by the Consolidated Appropriations Act, 2021, and further extended by Executive Order of President Biden through at least March 31, 2021, and [most recently extended by CDC Director Dr. Rochelle Walensky through June 30, 2021](#).

Under the CDC Order, there is a federal moratorium on pursuing Eviction<sup>7</sup>, to remove or cause the removal of a Covered Person<sup>8</sup> from a residential property for nonpayment of rent against persons who submit a signed [Declaration Form](#) to their landlord, owner of the residential property where they live, or other person who has a right to have them evicted or removed from where they live, and certify under the penalty of perjury that they meet certain qualifying criteria set forth in the declaration. Importantly, the Order reinforces that “Covered Person(s)” are still required to pay rent and follow all the other terms of their lease and rules of the place where they live.

Notably, the CDC Order does not apply in any State, local, territorial, or tribal area with a moratorium on residential evictions that provides the same or greater level of public-health protection than the requirements listed in the CDC Order. Currently, until at least August 31, 2021, New York State arguably provides the same or greater level of public-health protection than the requirements listed in the CDC Order in the COVID-19 Emergency Eviction and Foreclosure Prevention Act of 2020.

### **C. Tenant Safe Harbor Act**

If a residential tenant or lawful occupant raises “COVID-19 financial hardship” as a defense in an eviction proceeding under the [Tenant Safe Harbor Act](#) (Chapter 127 of the Laws of New York, 2020) (the “TSHA”), and the Court determines that COVID-19 financial hardship has been demonstrated, the Court shall not issue a

<sup>7</sup> Any action by a landlord, owner of a residential property, or other person with a legal right to pursue eviction or a possessory action, to remove or cause the removal of a covered person from a residential property.

<sup>8</sup> Any tenant, lessee, or resident of a residential property who provides to their landlord, the owner of the residential property, or other person with a legal right to pursue eviction or a possessory action, a sworn Declaration Form.

warrant of eviction or judgment of possession, but can issue a monetary judgment for the rent that accrues or becomes due during the COVID-19 covered period.<sup>9</sup>

In determining whether a residential tenant or lawful occupant has suffered a financial hardship during the COVID-19 covered period, the Court shall consider the following four factors, among other relevant factors:

1. the tenant's or lawful occupant's income prior to the COVID-19 covered period;
2. the tenant's or lawful occupant's income during the COVID-19 covered period;
3. the tenant's or lawful occupant's liquid assets; **and**
4. the tenant's or lawful occupant's eligibility for and receipt of cash assistance, supplemental nutrition assistance program, supplemental security income, the New York State disability program, the home energy assistance program, or unemployment insurance or benefits under state or federal law.

[Executive Order No. 202.66](#), issued on September 29, 2020, as continued and contained in Executive Order Nos. 202.71, 202.78, 202.85, 202.91 and each Executive Order from 202.91 through 202.103, as further continued and contained from Executive Order No. 202.105 through [Executive Order No. 202.109](#), issued on May 25, 2021, further extended protections afforded to residential tenants under the TSHA legislation inasmuch as that now, even in cases where a warrant of eviction or judgment of possession against a residential tenant was granted prior to March 7, 2020, if a residential tenant can demonstrate COVID-19 financial hardship in an eviction proceeding by documentary evidence under the TSHA, the petitioner cannot enforce or execute on a judgment or warrant of eviction **through June 24, 2021**.

#### **D. Conference Requirement For Matters Commenced Prior to March 17, 2020**

The court must initiate a status or settlement conference. This requirement shall apply in all matters at any stage of the eviction process, including any matter where a warrant of eviction has issued and been delivered to an enforcement agent but has not been executed. At the conference, the court shall review the procedural history of the matter; confirm compliance with notice requirements; inquire into the effects, if any, that the COVID-19 pandemic has had upon the parties; review any special relief under state or federal law to which the parties may be entitled in light of the pandemic, including the New York Tenant Safe Harbor Act (L. 2020, c. 127); refer unrepresented parties to local civil legal service providers and housing counseling agencies; assess any pending and anticipated motions; approve briefing schedules proposed by stipulation of the parties; and use best efforts (including referral to alternative dispute resolution) to resolve any outstanding issues. Following the conference, the court may take such further steps as it deems appropriate, including allowing the matter to proceed. [Administrative Order 160A/20](#) and [Administrative Order 231/20](#).

#### **E. Warrant Requisitions For Pre-March 17, 2020 Judgments of Possession Must Be Presented By Motion On Notice To Respondent**

Leave of court by motion on notice to respondent required to enforce a warrant of eviction issued before March 17, 2020. Requisitions for warrants of eviction based on judgments of possession that were issued before March 17, 2020 must be presented by motion on notice to the respondent. Such a motion shall suffice to comply with the (above) conference requirement contained in AO 160/20 (160A/20 replaced 160/20). All such motions shall require the inclusion of a Notice to Respondent Tenant, in the form attached as Exh. A to this directive (DRP 213), to be served by mail as well as email wherever possible. [DRP-213](#).

---

<sup>9</sup> "COVID-19 covered period" means March 7, 2020 until the date on which none of the provisions that closed or otherwise restricted public or private businesses or places of public accommodation, or required postponement or cancellation of all non-essential gatherings of individuals of any size for any reason in Executive Orders 202.3, 202.4, 202.5, 202.6, 202.7, 202.8, 202.10, 202.11, 202.13 or 202.14, as extended by Executive Orders 202.28 and 202.31 and as further extended by any future Executive Order, issued in response to the COVID-19 pandemic continue to apply in the county of the tenant's or lawful occupant's residence.

## **F. Default Judgments of Possession May Not Be Issued Or Enforced Prior To August 31, 2021 Without A Court Hearing**

No court shall issue a judgment in any proceeding authorizing a warrant of eviction against a respondent who has defaulted, or authorize the enforcement of an eviction pursuant to a default judgment, prior to August 31, 2021, without first holding a hearing after the effective date of this act upon motion of the petitioner. The petitioner or an agent of the petitioner shall file an affidavit attesting that the petitioner or the petitioner's agent has served notice of the date, time, and place of such hearing on the respondent, including a copy of such notice. If a default judgment has been awarded prior to December 28, 2020, the default judgment shall be removed and the matter restored to the court calendar upon the respondent's written or oral request to the court either before or during such hearing and an order to show cause to vacate the default judgment shall not be required. [EEFPA](#), [Senate Bill S6362A](#), [Administrative Order 340/20](#), [Administrative Order 160/21](#) and [CCM-212](#).

With respect to matters pending prior to March 17, 2020, no adverse action (i.e., no defaults) shall be taken based upon the failure to file an answer in an eviction proceeding, or based upon the failure of a party to submit responsive papers to a motion submitted through EDDS, absent specific order of the Court. [DRP- 213](#).

## **G. Moratorium on Issuance of Warrants of Eviction**

Until further notice, no warrant of eviction shall issue until such time as the current public health crisis has abated and this directive (DRP – 206) is rescinded. The foregoing is without prejudice to the right of petitioner to seek an exception by submitting a motion on notice establishing that no party is negatively affected by the COVID-19 epidemic. [DRP - 206](#).

## **H. Execution of Warrants of Eviction**

In proceedings where an eviction warrant has been issued prior to the effective date of the EEFPA (December 28, 2020) but has not been executed, the court shall stay the execution of the warrant at least until the court has held a status conference with the parties. [EEFPA](#), [Administrative Order 340/20](#), [Administrative Order 160/21](#) and [CCM-212](#).

In any eviction proceeding in which a warrant has been issued, any warrant issued shall not be effective as against the occupants, unless, in addition to the requirements under section 749 of the RPAPL for warrants, such warrant states: (1) the tenant has not submitted the hardship declaration and the tenant was properly served with a copy of the hardship declaration; or (2) the tenant is ineligible for a stay under this act because the court has found that the tenant is persistently and unreasonably engaging in behavior that substantially infringes on the use and enjoyment of other tenants or occupants or causes a substantial safety hazard to others. [EEFPA](#), [Administrative Order 340/20](#), [Administrative Order 160/21](#), [CCM-212](#) and [AN-25](#).

A petitioner seeking to enforce a warrant of eviction that was issued before March 17, 2020 must seek leave of court by motion on notice to respondent. Such a motion shall suffice to comply with the conference requirement contained in AO 160/20. All such motions shall require the inclusion of a Notice to Respondent Tenant in the form attached as Exh. A to this directive, to be served by mail, as well as email wherever possible. [DRP- 213](#).

## **I. Prior Judgments Based on Objectionable or Nuisance Behavior**

If the court has awarded judgment against a respondent on or prior to December 28, 2020 on the basis of objectionable or nuisance behavior, the court shall hold a hearing to determine whether the tenant is continuing to persist in engaging in unreasonable behavior that substantially infringes on the use and enjoyment of other tenants or occupants or causes substantial safety hazard to others. [EEFPA](#), [Administrative Order 340/20](#), [Administrative Order 160/21](#), and [CCM-212](#).

## **J. Resumption of Judgments on Matters Where All Parties Represented By Counsel**

Beginning September 8, 2020, the Civil Court of the City of New York resumed entering judgments on matters before the Court where all parties are represented by counsel. Any matter that has been scheduled for a virtual or in person appearance with the Court for which a represented party has not appeared will be given one final adjournment after which the Court may exercise its discretion in determining whether an application for dismissal or default should be granted. This policy does not apply to matters where a party is unrepresented. It also does not apply to those matters that are not currently being calendared in the Court, i.e., Consumer Debt cases or Small Claims cases. <http://nycourts.gov/courts/nyc/civil/CORONA/Resumption.shtml>.

## **K. Filing and Service**

Unless otherwise prohibited by gubernatorial Executive Order, parties may commence new matters and proceed in pending matters by any means of filing and service normally permitted under statute and court rule. [Administrative Order 267/20](#).

All parties are strongly urged to avoid in-person filing and service wherever possible during the ongoing COVID-19 health emergency, and to rely instead on NYSCEF, EDDS, and mail filing and/or service, where permitted. [Administrative Order 267/20](#).

Petitions in eviction proceedings pursuant to Article 7 of the Real Property Actions and Proceedings Law shall include the bilingual form Notice to Respondent Tenant annexed to AO 268/20, which must be printed on colored paper. [Administrative Order 268/20](#).

## **L. Remote Appearances**

Eviction proceedings should continue to be conducted remotely whenever appropriate. [Administrative Order 160A/20](#) and [Administrative Order 231/20](#).

## **M. Further Direction From Hon. Jean T. Schneider, Citywide Supervising Judge, New York City Housing Court, Regarding Motions That Can Be Made**

Motions against *pro se* litigants for the entry of judgment based upon the respondents' failure to answer may now be made, returnable in the HMP Part.

Motions for inquest on holdovers where respondents failed to appear on the last court appearance may now be made, returnable in the HMP Part.

## **N. Further Direction From The Office of Marshal Richard A. Capuano On November 10, 2020**

Before proceeding with the enforcement of pre-March 17, 2020 residential evictions, petitioners, or their attorneys, must provide the marshal with information that they are in compliance with [DRP- 213](#). Namely that petitioners have sought leave of court by motion on notice to the respondent, and that the required status conference as set forth in [Administrative Order 160A/20](#) has been held.

The Office of Marshal Richard A. Capuano has been informed that it is the Court's position that stipulation agreements, signed prior to October 12, 2020, even if signed by a judge, are not in compliance with [DRP- 213](#) and are not Court Authorization to proceed with the warrant of eviction. The Court did not resume residential evictions until October 12, 2020 and as such there were no warrants issued and no warrants authorized to execute at that time. The Court will accept amended stipulations and orders which clearly state all criteria as set forth in [DRP-213](#) have been met.

## 2. Defaults

A. Appearance Defaults. In all matters where issue has been joined and the Court has jurisdiction over the parties, counsel and/or parties are expected to be present for court noticed appearances. Noticed appearances may include virtual or in-person conferences or trials. If an attorney and/or party fails to appear for a court-noticed conference or trial without excuse, the judge presiding over such appearance may exercise his or her discretion to address the unexcused absence. The judge may, among other available remedies, reschedule the appearance with a “final” marking, resolve issues or claims against the non-appearing party, impose sanctions, or issue a judgment of contempt.

All applications to be excused from a court ordered appearance must be made on the record before the court or by affidavit/affirmation.

B. Document Defaults. Filing of answers in residential eviction proceedings is presently controlled by Administrative Orders 160/20 and 121/20. Moreover, submission of motion documents in pending proceedings is governed by Administrative Order 115/20, which authorized the Electronic Document Delivery System (EDDS). EDDS remains available until further order. Consistent with Administrative Orders

**Administrative Order 267/20 superseded  
Administrative Orders 121/20 and 115/20.**

<p>160/20 and 115/20, no adverse action (i.e., no defaults) shall be taken based upon the failure to file an answer in an eviction proceeding, or based upon the failure of a party to submit responsive papers to a motion submitted through EDDS, absent specific order of the Court.</p>

If the translation of the hardship declaration in the tenant's primary language is not available on the office of court administration's public website, as provided by section ten of this act, it shall be the landlord's responsibility to obtain a suitable translation of the hardship declaration in the tenant's primary language. Such notice shall also include: 1. a mailing address, telephone number and active email address the tenant can use to contact the landlord and return the hardship declaration; and 2. a list of all not-for-profit legal service providers actively handling housing matters in the county where the subject premises are located. Such lists shall be prepared and regularly updated, to the extent practicable, for such purpose and published on the website of the office of court administration.

**§ 4. Prohibition on initiation of eviction proceeding.** If there is no pending eviction proceeding and a tenant provides a hardship declaration to the landlord or an agent of the landlord,

No court shall accept for filing any petition or other filing to commence an eviction proceeding unless the petitioner or an agent of the petitioner files an affidavit of service, under penalty of perjury, demonstrating the manner in which the petitioner or the petitioner's agent served a copy of the hardship declaration in English and the tenant's primary language, if other English, with any rent demand and with any other written notice required by the lease or tenancy agreement, law or rule to be provided prior to the commencement of an eviction proceeding, and an affidavit under penalty of perjury: a. attesting that at the time of filing, neither the petitioner nor any agent of the petitioner has received a hardship declaration from the respondent or any other tenant or occupant of the dwelling unit that is the subject of the proceeding, or b. attesting that the respondent or another tenant or occupant of the dwelling unit that is the subject of the proceeding has returned a hardship declaration, but the respondent is persistently and unreasonably engaging in behavior that substantially infringes on the use and enjoyment of other tenants or occupants or causes a substantial safety hazard to others, with a specific description of the behavior alleged.

2. Upon accepting a petition pursuant to article 7 of the real property actions and proceedings law, the attorney, judge or clerk of the court, as the case may be, shall determine whether a copy of the hardship declaration in English and the tenant's primary language, if other than English, is annexed to the served notice of petition and, if not, shall ensure that the hardship declaration is attached to such notice. **Service of the notice of petition with the attached hardship declaration shall be made by personal delivery to the respondent, unless such service cannot be made with due diligence, in which case service may be made under section 735 of the real property actions and proceedings law.** At the earliest possible opportunity, the court shall seek confirmation on the record or in writing from the respondent that the respondent has received the hardship declaration and that the respondent has not submitted a hardship declaration to the petitioner, an agent of the petitioner, or the court. **If the court determines a respondent has not received a hardship declaration, then the court shall stay the proceeding for a reasonable period of time, which shall be no less than ten business days or any longer period provided by law, and provide the respondent with a copy of the hardship declaration in English and the respondent's primary language, if other than English, to ensure the respondent received and fully considered whether to submit the hardship declaration.**

**§ 6. Pending proceedings.** In any eviction proceeding in which an eviction warrant has not been issued, including eviction proceedings filed on or before March 7, 2020, if the tenant provides a hardship declaration to the petitioner, the court, or an agent of the petitioner or the court, the eviction proceeding shall be stayed until at least May 1, 2021. If such hardship declaration is provided to the petitioner or agent, such petitioner or agent shall promptly file it with the court, advising the court in writing the index number of all relevant cases.

**§ 7. Default judgments.** No court shall issue a judgment in any proceeding authorizing a warrant of eviction against a respondent who has defaulted, or authorize the enforcement of an eviction pursuant to a default judgment, prior to May 1, 2021, without first holding a hearing after the effective date of this act upon motion of the petitioner. The petitioner or an agent of the petitioner shall file an affidavit attesting that the petitioner or the petitioner's agent has served notice of the date, time, and place of such hearing on the respondent, including a copy of such notice. If a default judgment has been awarded prior to the effective date of this act, the default judgment shall be removed and the matter restored to the court calendar upon the respondent's written or oral request to the court either before or during such hearing and an order to show cause to vacate the default judgment shall not be required.

**§ 8. Post warrant of eviction.** a. (i) In any eviction proceeding in which **an eviction warrant has been issued prior to the effective date of this act, but has not yet been executed** as of the effective date of this act, including eviction proceedings filed on or before March 7, 2020, the court shall stay the execution of the warrant at least until the court has held a **status conference with the parties**. (ii) In any eviction proceeding, if the tenant provides a hardship declaration to the petitioner, the court, or an agent of the petitioner or the court, prior to the execution of the warrant, the execution shall be stayed until at least May 1, 2021. If such hardship declaration is provided to the petitioner or agent of the petitioner, such petitioner or agent shall promptly file it with the court, advising the court in writing the index number of all relevant cases.

b. In any eviction proceeding in which a warrant has been issued, including eviction proceedings filed on or before March 7, 2020, any warrant issued shall not be effective as against the occupants, unless, in addition to the requirements under section 749 of the real property 29 actions and proceedings law for warrants, such warrant states: (i) The tenant has not submitted the hardship declaration and the tenant was properly served with a copy of the hardship declaration pursuant to this section, listing dates the tenant was served with the hardship declaration by the petitioner and the court; or (ii) The tenant is ineligible for a stay under this act because the court has found that the tenant is persistently and unreasonably engaging in behavior that substantially infringes on the use and enjoyment of other

tenants or occupants or causes a substantial safety hazard to others, with a specific description of the behavior.

c. No court shall issue a warrant directed to the sheriff of the county or to any constable or marshal of the city in which the property, or a portion thereof, is situated, or, if it is not situated in a city, to any constable of any town in the county, that does not comply with the requirements of this section.

d. No officer to whom the warrant is directed shall execute a warrant for eviction issued that does not comply with the requirements of this hardship declaration to the officer to whom the warrant is directed, the officer shall not execute the warrant and shall return the hardship form to the court indicating the appropriate index/case number the form is associated with section.

e. Unless the warrant contains the information contained in paragraph (ii) of subdivision b of this section, if any tenant delivers the hardship declaration to the officer to whom the warrant is directed, the officer shall not execute the warrant and shall return the hardship form to the court indicating the appropriate index/case number the form is associated with.

§ 9. Sections two, four, six and paragraph (ii) of subdivision a of section eight of this act shall not apply if the tenant is persistently and unreasonably engaging in behavior that substantially infringes on the use and enjoyment of other tenants or occupants or causes a substantial safety hazard to others, provided:

1. If an eviction proceeding is pending on the effective date of this act, but the petitioner has not previously alleged that the tenant persistently and unreasonably engaged in such behavior, the petitioner shall be required to submit a new petition with such allegations and comply with all notice and service requirements under article 7 of the real property actions and proceedings law and this act.

2. If the court has awarded a judgment against a respondent prior to the effective date of this act on the basis of objectionable or nuisance behavior, the court shall hold a hearing to determine whether the tenant is continuing to persist in engaging in unreasonable behavior that substantially infringes on the use and enjoyment of other tenants or occupants or causes a substantial safety hazard to others.

3. For the purposes of this act, a mere allegation of the behavior by the petitioner or an agent of the petitioner alleging such behavior shall not be sufficient evidence to establish that the tenant has engaged in such behavior.

4. If the petitioner fails to establish that the tenant persistently and unreasonably engaged in such behavior and the tenant provides or has provided a hardship declaration to the petitioner, petitioner's agent or the court, the court shall stay or continue to stay any further proceedings until at least May 1, 2021.

5. If the petitioner establishes that the tenant persistently and unreasonably engaged in such behavior or the tenant fails to

provide a hardship declaration to the petitioner, petitioner's agent or the court, the proceeding may continue pursuant to article 7 of the real property actions and proceedings law and this act.

§ 10. Translation of hardship declaration. The office of court administration shall translate the hardship declaration, as defined in section one of this act, into Spanish and the six most common languages in the city of New York, after Spanish, and shall post and maintain such translations and an English language copy of the hardship declaration on the website of such office beginning within fifteen days of the effective date of this act. To the extent practicable, the office of court administration shall post and maintain on its website translations into such additional languages as the chief administrative judge shall deem appropriate to ensure that tenants have an opportunity to understand and submit hardship declarations pursuant to this act.

§ 11. Rebuttable presumption. A hardship declaration in which the tenant has selected the option indicating a financial hardship shall create a rebuttable presumption that the tenant is experiencing financial hardship, in any judicial or administrative proceeding that may be brought, for the purposes of establishing a defense under chapter 127 of 45 the laws of 2020, an executive order of the governor or any other local or state law, order or regulation restricting the eviction of a tenant suffering from a financial hardship during or due to COVID-19 provided that the absence of a hardship declaration shall not create a presumption that a financial hardship is not present.

The Act shall take effect immediately and shall expire May 1, 2021, except for rebuttable presumption.

Under Part B of the Act, the Act also contains protections for small property owners of properties that contain 10 or fewer apartments with respect to foreclosure proceedings. There is a moratorium on tax sales and foreclosures for the small property owners who have experienced hardship as a result of COVID 19 as well until at least May 1, 2021. Provision	Comment
<p>Per <a href="#">Administrative Order 87/20</a>, dated May 1, 2020, Chief Administrative Judge Lawrence Marks authorized the Electronic Document Delivery System (EDDS) effective May 4, 2020. <b>AO 87/20 (pars. A-C) superseded by Administrative Order 115/20.</b></p> <p>Paragraph A: In pending matters, digital copies of (1) motions, cross-motions, responses, replies and applications (including post-judgment applications), (2) notices of appeal and cross-appeal, (3) stipulations of discontinuance, stipulations of adjournment, and other stipulations, (4) notes of issue, and (5) such other papers as the Chief Administrative Judge may direct,</p>	<p><b><a href="#">Administrative Order 267/20</a> superseded <a href="#">Administrative Orders 115/20</a>.</b></p>

<p>shall be directed for filing purposes by all courts and clerical officers of the Unified Court System (including County Clerks acting as clerks of court) when presented for filing through (1) NYSCEF, (2) EDDS, or (3) such other document delivery method as the Chief Administrative Judge shall approve.</p> <p>Paragraph B: “Documents filed through the EDDS system <b>shall</b> be served by electronic means, including electronic mail or facsimile” (an issue if the client did not have email address for a pro se tenant).</p>	
<p>Per <a href="#">DRP 208A</a>, dated June 15, 2020, the Hon. Anthony Cannataro directed:</p> <p>For parties represented by counsel, all new motions and other documents submitted through EDDS must be served electronically, either by email or facsimile transmission.</p> <p>It is the responsibility of the party submitting papers through EDDS to ensure that copies of documents are served electronically on all other parties.</p> <p>Unrepresented parties must file, serve, and be served with motions by non-electronic means (i.e. personal service, mail, or other physical delivery service) unless they provide written notification to the court and all parties that they wish to file, serve, and be served electronically. A sample consent form is annexed as Exhibit A.</p> <p>All parties are encouraged to use EDDS to complete the submission of motions that were partially submitted when the Court halted acceptance of paper filings on March 22,2020. Wherever possible, the Court will consolidate papers previously filed with documents newly submitted through EDDS to create a complete set of motion papers. However, judges may direct that Parties submit courtesy copies of previously filed documents through EDDS to ensure that a complete record is available. In the event that there are discrepancies between papers previously filed in person and submissions made through EDDS, the EDDS submission shall supersede the earlier paper submission.</p> <p>All existing procedural rules concerning the form of motion papers and times for opposing and replying will apply to motions made through EDDS.</p> <p>The availability of EDDS does not supersede, abrogate, or otherwise modify any administrative orders relating to the filing of new actions or proceedings during the COVID-19 outbreak, or any administrative orders relating to the entry of default judgments or orders.</p> <p>Notices of trial in the Civil Court may not be filed through EDDS. Notices of appeal may be filed through EDDS provided payment of appropriate fees is made.</p> <p>To the extent that any local rule regarding EDDS submissions or any requirement herein conflicts with Administrative Order 115/20, the Order of the Chief Administrative Judge controls.</p>	<p>EDDS is a program intended to mitigate the effects of the COVID-19 outbreak upon the courts and the public. It provides a means for attorneys and unrepresented litigants to make and respond to motions in pending cases before the Civil and Housing Parts of the Civil Court of the City of New York. EDDS is not a system for filing new actions and proceedings in the Court. No answers or notices of trial may be filed through EDDS in the Civil and Housing Parts of the Civil Court of the City of New York.</p>
<p><a href="#">Administrative Order 115/20</a>, dated May 28, 2020, <b>supersedes Administrative Order 87/20 (pars. A-C)</b> (and seemingly part of DRP 208 that requires service electronically per AO 87/20), and provides, in relevant part:</p>	<p><b><a href="#">Administrative Order 267/20</a> supersedes <a href="#">Administrative Order 115/20</a>.</b></p>

Paragraph 3: **In New York City, effective May 25, 2020, in case types approved for electronic filing through NYSCEF, represented parties must commence new matters or proceed in pending matters exclusively by electronic filing through NYSCEF, and must file and serve papers in such matters (other than service of commencement documents) by electronic means through NYSCEF. Unrepresented parties must file, serve and be served in such matters by non-electronic means unless they expressly opt in to participate in NYSCEF.**

Paragraph 4: **To the extent that NYSCEF electronic filing is unavailable in courts or case types in the counties and on the date set forth in Exh. B, represented parties in pending matters may submit for filing digital copies of (1) motions, cross-motions, responses, replies and applications (including post-judgment applications), (2) notices of appeal and cross-appeal, (3) stipulations of discontinuance, stipulations of adjournment, and other stipulations, (4) notes of issue, and (5) such other papers as the Chief Administrative Judge may direct, shall be directed for filing purposes by all courts and clerical officers of the Unified Court System (including County Clerks acting as clerks of court) through EDDS or such other document delivery method as the Chief Administrative Judge shall approve. Unrepresented parties must file, serve and be served in such matters by non-electronic means unless they provide written notification to the court and all parties that they wish to file, serve and be served electronically.**

Per [DRP- 213](#), dated August 12, 2020, provided: Eviction proceedings filed after March 16, 2020 are currently subject to the requirements of Administrative Orders 160/20, 127/20 (127/20 was superseded by 160A/20) and 143/20 of the Chief Administrative Judge and shall remain so until further notice. However, with respect to matters pending prior to March 17, 2020 the following rules shall apply:

**DIRECTIVE:**

**2. Defaults**

**B. Document Defaults.** Filing of answers in residential eviction proceedings is presently controlled by Administrative Orders 160/20 and 121/20. Moreover, **submission of motion documents in pending proceedings is governed by Administrative Order 115/20, which authorized the Electronic Document Delivery System (EDDS). EDDS remains available until further order.** Consistent with Administrative Orders 160/20 and 115/20, **no adverse action (i.e., no defaults) shall be taken based upon the failure to file an answer in an eviction proceeding, or based upon the failure of a party to submit responsive papers to a motion submitted through EDDS, absent specific order of the Court.**

Superseded requirement under AO 87/20 that unrepresented parties shall be served electronically.

**No adverse action (i.e., no defaults) shall be taken based upon the failure of a party to submit responsive papers to a motion submitted through EDDS, absent specific order of the Court.**

**Administrative Order 267/20 superseded Administrative Order 115/20.**
